PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the accompanying proxy card or voting instruction form are being furnished in connection with the solicitation of proxies by and on behalf of our board of directors for use at our 2006 Annual Meeting of Shareholders to be held on Wednesday, May 24, 2006 and at any adjournment or postponement of the meeting. The accompanying notice of annual meeting of shareholders sets forth the time, place and purposes of the meeting. The notice, this proxy statement, the accompanying proxy card or voting instruction form and our Annual Report to Shareholders, which includes our Annual Report on Form 10-K for the fiscal year ended December 31, 2005, are first being mailed on or about April 17, 2006 to the holders of our common stock at the close of business on March 28, 2006. Our principal executive offices are located at Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

Please refer to the Glossary of Terms on page ii for the definitions of capitalized or other terms used in this proxy statement.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Q: What is the purpose of the annual meeting?

A: At the annual meeting, shareholders will vote on the election of six directors and any other matter that may properly come before the meeting.

Q: How does the board recommend that I vote?

A: The board of directors recommends that you vote FOR each of the nominees for director.

Q: Who is allowed to vote at the annual meeting?

A: The board of directors has set the close of business on March 28, 2006 as the record date for the determination of shareholders entitled to notice of and to vote at the meeting. Only holders of record of our common stock as of the close of business on the record date are entitled to vote at the meeting. On the record date, 48,563,034 shares of our common stock were issued and outstanding. Each share of our common stock is entitled to one vote.

Q: How do I vote?

A: If your shares are held by a bank, broker or other nominee (*i.e.*, in “street name”), you must follow the instructions from your nominee on how to vote your shares.

If you are a shareholder of record, you may:

- vote in person at the annual meeting; or
- instruct the agents named on the proxy card how to vote your shares by completing, signing and mailing the enclosed proxy card in the envelope provided.

If you execute a proxy card but do not indicate how you would like your shares voted for one or more of the nominees, the agents will vote FOR the election of each such nominee for director and, to the extent allowed by applicable law, in the discretion of the agents on any other matter that may properly come before the meeting.

Q: Who will count the votes?

A: The board of directors has appointed Computershare, our transfer agent and registrar, to receive proxies and ballots, ascertain the number of shares represented, tabulate the vote and serve as inspector of election for the meeting.

Q: Is my vote confidential?

A: Yes. All proxy cards, ballots or voting instructions delivered to Computershare will be kept confidential in accordance with our by-laws.

Q: May I change or revoke my proxy or voting instructions?

A: If you are a shareholder of record, you may change or revoke your proxy instructions at any time before the meeting in any of the following ways:

- delivering to Computershare a written revocation;
- submitting another proxy card bearing a later date; or
- voting in person at the meeting.

If your shares are held by a bank, broker or other nominee, you must follow the instructions from your nominee on how to change or revoke your voting instructions.

Q: What constitutes a quorum?

A: A quorum is the presence, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote at the meeting. Under the applicable rules of the NYSE and the SEC, brokers or other nominees holding shares of record on behalf of a client who is the actual beneficial owner of such shares are authorized to vote on certain routine matters without receiving instructions from the beneficial owner of the shares. If such a broker/nominee who is entitled to vote on a routine matter delivers an executed proxy card and does not vote on the matter, such a vote is referred to in this proxy statement as a “broker/nominee non-vote.” Shares of common stock that are voted to abstain from any business coming before the meeting and broker/nominee non-votes will be counted as being in attendance at the meeting for purposes of determining whether a quorum is present.

Q: What vote is required to elect a director nominee or approve any other matter?

A: If a quorum is present, a plurality of the affirmative votes of the holders of our outstanding shares of common stock represented and entitled to be voted at the meeting is necessary to elect each nominee for director. The accompanying proxy card or voting instruction form provides space for you to withhold authority to vote for any of the nominees. Neither shares as to which the authority to vote on the election of directors has been withheld nor broker/nominee non-votes will be counted as affirmative votes to elect director nominees. However, since director nominees need only receive the plurality of the affirmative votes from the holders represented and entitled to vote at the meeting to be elected, a vote withheld from a particular nominee will not affect the election of such nominee.

Except as our amended and restated certificate of incorporation and applicable laws may otherwise provide, if a quorum is present, the approval of any other matter that may properly come before the meeting will require the affirmative votes of the holders of a majority of the outstanding shares represented and entitled to vote at the meeting. Shares of our common stock that are voted to abstain from any other business

coming before the meeting and broker/nominee non-votes will not be counted as votes for or against any such other matter.

Q: Who will pay for the cost of soliciting the proxies?

A: We will pay all expenses related to the solicitation, including charges for preparing, printing, assembling and distributing all materials delivered to shareholders. In addition to the solicitation by mail, our directors, officers and regular employees may solicit proxies by telephone or in person for which such persons will receive no additional compensation. We have retained The Altman Group, Inc. to aid in the distribution of this proxy statement and related materials at an estimated cost of \$1,200. Upon request, we will reimburse banking institutions, brokerage firms, custodians, trustees, nominees and fiduciaries for their reasonable out-of-pocket expenses incurred in distributing proxy materials and voting instructions to the beneficial owners of our common stock that such entities hold of record.

CONTROLLED COMPANY

Valhi directly held approximately 83.1% of the outstanding shares of our common stock as of the record date. Valhi has indicated its intention to have its shares of our common stock represented at the meeting and voted FOR the election of each of the director nominees to our board of directors. If Valhi attends the meeting in person or by proxy and votes as indicated, the meeting will have a quorum present and the shareholders will elect all the nominees to the board of directors.

Because of Valhi's ownership of our common stock, we are considered a controlled company under the listing standards of the NYSE. Pursuant to the listing standards, a controlled company may choose not to have a majority of independent directors, independent compensation, nominating or corporate governance committees or charters for these committees. We have chosen not to have a majority of independent directors or an independent nominating or corporate governance committee. Our board of directors believes that the full board of directors best represents the interests of all of our shareholders and that it is appropriate for all matters that would be considered by a nominating or corporate governance committee to be considered and acted upon by the full board of directors. Applying the NYSE director independence standards, the board of directors has determined that three of our directors are independent and have no material relationship with us other than serving as our directors. See "Meetings and Committees of the Board of Directors—Audit Committee" for certain relationships the board of directors considered in making this determination. While the members of our management development and compensation committee currently satisfy the independence requirements of the NYSE, we have chosen not to satisfy all of the NYSE listing standards for a compensation committee. See "Meetings and Committees of the Board of Directors" for more information on the committees of the board of directors. See also "Shareholder Proposals and Director Nominations for the 2007 Annual Meeting" for a description of our policies and procedures for shareholder nominations of directors.

ELECTION OF DIRECTORS

Our amended and restated certificate of incorporation provides that the board of directors shall consist of not less than seven nor more than 17 members as determined by our board of directors or shareholders. Our board of directors has currently set the number of directors at seven and recommended six director nominees for the 2006 annual meeting. The board of directors has determined that it can adequately represent our shareholders with six directors and one vacancy on the board of directors. Even though there is currently a vacancy of one directorship on the board of directors, you cannot vote for a greater number of persons than the six director nominees set forth in this proxy statement. The directors elected at the meeting will hold office until our 2007 Annual Meeting of Shareholders and until their successors are duly elected and qualified or their earlier removal, resignation or death.

All of the nominees are currently members of our board of directors whose terms will expire at the meeting. All of the nominees have agreed to serve if elected. If any nominee is not available for election at the meeting, all shares represented by a proxy card will be voted FOR an alternate nominee to be selected by the board of directors, unless the shareholder executing such proxy card withholds authority to vote for such nominee. The board of directors believes that all of its nominees will be available for election at the meeting and will serve if elected.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE ELECTION OF THE FOLLOWING NOMINEES FOR DIRECTOR.

After his retirement from the United States Air Force in 1979 as Lieutenant General, he became chairman of Gibraltar Exploration Limited, an oil and gas exploration and production company, and served in that position until 1984, when he joined General Technical Services, Inc., a consulting firm. Gen. Stafford was also affiliated with Stafford, Burke and Hecker, Inc., a Washington-based consulting firm, from 1982 until 2005. Gen. Stafford has more recently served as an advisor to a number of governmental agencies including the National Aeronautics and Space Administration (NASA) and the Air Force Material Command. He is currently

chairman of the NASA Advisory Council Task Force on the International Space Station Program, and also served as co-chairman of the Stafford-Covey NASA Space Shuttle Return to Flight Task Group. Gen. Stafford has received many honors and decorations including the Congressional Space Medal of Honor. He is also a director of TIMET and chairman of our audit committee and management development and compensation committee.

Steven L. Watson, age 55, has served on our board of directors since 2000. Mr. Watson has served as vice chairman of the board of Kronos Worldwide since 2004. He has served as chief executive officer of TIMET since January 2006 and vice chairman of the board of TIMET since November 2005. Terry N. Worrell, age 61, has served on our board of directors since 2003. Mr. Worrell has been a private investor with Worrell Investments, Inc., a real estate investment company, since 1989. From 1974 to 1989, Mr. Worrell was president and chief executive officer of Sound Warehouse of Dallas Inc., a chain of retail music stores. Mr. Worrell also serves on our audit committee and management development and compensation committee. Mr. Worrell is a director of Regency Centers Corporation and a trust manager of Crescent Real Estate Equities Company, both real estate investment trusts.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The board of directors held three meetings and took action by written consent on three occasions in 2005. Other than Harold C. Simmons, each director participated in all of such meetings and of the 2005 meetings of the committees on which he served at the time. Mr. Simmons participated in 67% of our 2005 board meetings. It is expected that each director will attend our annual meetings of shareholders, which are held immediately before the annual meetings of the board of directors. All members of the board of directors attended our 2005 annual shareholder meeting.

The board of directors has established and delegated authority to two standing committees, which are described below. The board of directors is expected to elect the members of the standing committees at the board of directors annual meeting immediately following the annual shareholder meeting. The board of directors has previously established, and from time to time may establish, other committees to assist it in the discharge of its responsibilities.

Audit Committee. Our audit committee assists with the board of directors' oversight responsibilities relating to our financial accounting and reporting processes and auditing processes. The responsibilities of our audit committee are more specifically set forth in the amended and restated audit committee charter, a copy of which is attached as **Exhibit A** to this proxy statement and also available under the corporate governance section of our website, www.nl-ind.com. Applying the requirements of the NYSE listing standards and SEC regulations, as applicable, the board of directors has determined that:

- each member of our audit committee is independent, financially literate and has no material relationship with us other than serving as our director; and
- Mr. Cecil H. Moore, Jr. is an "audit committee financial expert."

In determining that Mr. Worrell, a member of our audit committee, has no material relationship with us other than serving as our director, the board of directors considered the following relationship.

- As part of a five-year pledge of \$5.0 million, the Foundation, of which Harold C. Simmons is the chairman of the board, contributed in each of 2004 and 2005 \$1.0 million to Children's Medical Foundation of Texas, of which foundation Mr. Worrell serves as a trustee.

The board determined that this relationship was not material based on the representation from Mr. Worrell that he receives no compensation for serving as a trustee of Children's Medical Foundation of Texas.

No member of our audit committee serves on more than three public company audit committees. For further information on the role of our audit committee, see "Audit Committee Report." The current members of our audit committee are Thomas P. Stafford (chairman), Cecil H. Moore, Jr. and Terry N. Worrell. Our audit committee held 17 meetings in 2005.

Management Development and Compensation Committee. The principal responsibilities of our management development and compensation committee are:

- to recommend to the board of directors whether or not to approve any proposed charge to us or any of our wholly owned subsidiaries pursuant to an ISA with a related parent company;
- to review, approve or administer certain matters regarding our employee benefit plans or programs;
- to review, approve, administer and grant awards under our equity compensation plans; and
- to review and administer such other compensation matters as the board of directors may direct from time to time.

As discussed above with respect to audit committee members, the board of directors has determined that each member of our management development and compensation committee is independent by applying the NYSE director independence standards. For further information on the role of our management development and compensation committee, see “Executive Compensation Report.” The current members of our management development and compensation committee are Thomas P. Stafford (chairman) and Terry N. Worrell. Our management development and compensation committee held one meeting in 2005.

Substantially all of Contran's outstanding voting stock is held by trusts established for the benefit of certain children and grandchildren of Harold C. Simmons, of which Mr. Simmons is the sole trustee, or held by Mr. Simmons or persons or other entities related to Mr. Simmons. As sole trustee of these trusts, Mr. Simmons has the power to vote and direct the disposition of the shares of Contran stock held by these trusts. Mr. Simmons, however, disclaims beneficial ownership of any Contran shares these trusts hold.

The Foundation directly holds approximately 0.9% of the outstanding shares of Valhi common stock. This foundation is a tax-exempt foundation organized for charitable purposes. Harold C. Simmons is the chairman of the board of this foundation.

The CDCT No. 2 directly holds approximately 0.4% of the outstanding shares of Valhi common stock. U.S. Bank National Association serves as the trustee of the CDCT No. 2. Contran established the CDCT No. 2 as an irrevocable "rabbi trust" to assist Contran in meeting certain deferred compensation obligations that it owes to Harold C. Simmons. If the CDCT No. 2 assets are insufficient to satisfy such obligations, Contran must satisfy the balance of such obligations. Pursuant to the terms of the CDCT No. 2, Contran retains the power to vote the shares held by the CDCT No. 2, retains dispositive power over such shares and may be deemed the indirect beneficial owner of such shares.

The CMRT directly holds approximately 10.2% of the outstanding shares of TIMET common stock and 0.1% of the outstanding shares of Valhi common stock. Contran sponsors this trust to permit the collective investment by master trusts that maintain assets of certain employee benefit plans Contran and related entities adopt. Harold C. All of our executive officers, Glenn R. Simmons and Steven L. Watson are participants in one or more of the employee benefit plans that invest through this trust. Each of such persons disclaims beneficial ownership of any of the shares this trust holds, except to the extent of his or her individual vested beneficial interest, if any, in the assets this trust holds.

Harold C. Simmons is the chairman of the board and chief executive officer of us and Kronos Worldwide and the chairman of the board of each of TIMET, Tremont, Valhi, VHC, VGI, National, NOA, Dixie Holding, Dixie Rice, Southwest and Contran.

By virtue of the holding of the offices, the stock ownership and his services as trustee, all as described above, (a) Harold C. Simmons may be deemed to control certain of such entities and (b) Mr. Simmons and certain of such entities may be deemed to possess indirect beneficial ownership of shares directly held by certain of such other entities. However, Mr. Simmons disclaims beneficial ownership of the shares beneficially owned, directly or indirectly, by any of such entities, except to the extent of his vested beneficial interest, if any, in shares held by the CMRT and his interest as a beneficiary of the CDCT No. 2. Mr. Harold Simmons disclaims beneficial ownership of all shares of our common stock beneficially owned, directly or indirectly, by Valhi or TFMC.

Simmons, is the direct holder of 36,500 shares of Valhi common stock. **COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS
AND OTHER INFORMATION**

Compensation of Directors. In 2005, our directors received an annual retainer of \$20,000, paid in quarterly installments, plus a fee of \$1,000 per day for attendance at meetings and at a daily rate (\$125 per hour) for other services rendered on behalf of our board of directors or its committees. The chairman of our audit committee and any member of our audit committee whom the board identified as an “audit committee financial expert” for purposes of the annual proxy statement received an annual retainer of \$10,000, paid in quarterly installments (provided that if one person served in both capacities only one such retainer was paid), and other members of our audit committee received an annual retainer of \$5,000, paid in quarterly installments. If one of our directors dies while serving on our board of directors, his designated beneficiary or estate will be entitled to receive a death benefit equal to the annual retainer then in effect. We reimburse our directors for reasonable expenses incurred in attending meetings and in the performance of other services rendered on behalf of our board of directors or its committees. In addition, Gen. Stafford (ret.) receives an annual payment of \$15,000 as a result of his service on our board of directors prior to 1987.

On the day of each annual shareholder meeting, each of our directors receives a grant of shares of our common stock as determined by the following formula based on the closing price of a share of our common stock on the date of such meeting.

Range of Closing Price Per Share on the Date of Grant	Shares of Common Stock to Be Granted
Under \$5.00	2,000
\$5.00 to \$9.99	1,500
\$10.00 to \$20.00	1,000
Over \$20.00	500

As a result of the \$15.37 per share closing price of our common stock on May 19, 2005, the date of our 2005 annual shareholder meeting, each of our directors elected on that date received a grant of 1,000 shares of our common stock.

(1) Each aggregate value is based on the difference between the exercise price of the individual stock options and the closing sale price per share of the underlying common stock on December 31, 2005. Such closing sale prices were \$14.09 per share for our common stock, \$18.50 per share for Valhi common stock and \$16.02 per share for CompX class A common stock.

(2) The value realized for this exercise is based on the difference between the average of the high and low sales prices per share of our common stock on the day of the exercise and the exercise price per share.

Pension Plans. The Retirement Program of NL Industries, Inc. for its U.S. employees provides lifetime retirement benefits to eligible employees. In 1996, NL approved the suspension of all future accruals under the salaried component of this pension plan. No named executive officer is entitled to a benefit payable under this pension plan upon retirement at normal retirement age.

CORPORATE GOVERNANCE DOCUMENTS

Code of Business Conduct and Ethics. We have adopted a code of business conduct and ethics that applies to all of our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. Only the board of directors may amend the code. Only our audit committee or other committee of the board of directors with specific delegated authority may grant a waiver of this code. We will disclose amendments to or waivers of the code as required by law and the applicable rules of the NYSE.

Corporate Governance Guidelines. We have adopted corporate governance guidelines to assist the board of directors in exercising its responsibilities. Among other things, the corporate governance guidelines provide for director qualifications, for independence standards and responsibilities, for approval procedures for ISAs and that our audit committee chairman presides at all meetings of the non-management or independent directors.

Audit Committee Charter. We have adopted an amended and restated audit committee charter under which our audit committee operates. Among other things, our audit committee charter provides the purpose, authority, resources and responsibilities of the committee.

A copy of each of these three documents, among others, is available on our website at www.nl-ind.com under the corporate governance section. A copy of the amended and restated audit committee charter is also attached as **Exhibit A** to this proxy statement. In addition, any person may obtain a copy of these three documents without charge, by sending a written request to the attention of our corporate secretary at NL Industries, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our executive officers, directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership with the SEC, the NYSE and us. Based solely on the review of the copies of such forms and representations by certain reporting persons, we believe that for 2005 our executive officers, directors and 10% shareholders complied with all

applicable filing requirements under section 16(a) except that after its formation in August 2005 as a parent company of Valhi, VHC failed to file timely its Form 3.

EXECUTIVE COMPENSATION REPORT

During 2005, our management development and compensation committee administered certain matters regarding the compensation of our executive officers.

NL ISA

During 2005, we paid certain fees to Contran for services provided pursuant to an ISA between Contran and us. Such services provided under this ISA included the services of all of our executive officers.

Contran annually determines the aggregate fee to charge us and our privately held subsidiaries based on the following:

- an estimate of the amount of time each Contran employee that performs services for us and certain of our privately held subsidiaries will spend on such services over the year; and
- Contran's cost related to such employee, which includes the employee's base salary, incentive compensation and an overhead component that takes into account other employment costs, including medical benefits, unemployment and disability insurance and pension costs and other costs of providing an office, equipment and supplies related to the provision of such services.

The portion of the annual charge we pay under the ISA between us and Contran for the services of any particular individual is capped at \$1.0 million in the aggregate to enhance our ability to deduct such charge for federal income tax purposes. The amount of the fee we paid in 2005 under this ISA for a person who provided services to us or our privately held subsidiaries represents, in management's view, the reasonable equivalent of "compensation" for such services. It is also management's view that the proposed aggregate charge to us under this ISA is fair to us and our shareholders and the cost for the services provided under the ISA would be no less favorable to us than could otherwise be obtained from an unrelated third party for comparable services. See "Certain Relationships and Transactions—Intercorporate Services Agreements" for the aggregate amount we paid to Contran in 2005 under this ISA. For each named executive officer, the portion of the annual charge we paid in 2005 to Contran under this ISA attributable to the services of such executive officer is set forth in footnote (2) to the summary compensation table in this proxy statement. The amounts charged under this ISA are not dependent upon our financial performance.

For 2005, our management development and compensation committee reviewed documentation and discussed with management Contran's ISA allocation process, including how Contran determined the necessary personnel, the estimated number of full time employees that would be required to provide the services and the cost of such services under this ISA. The committee then recommended that our board of directors approve the 2005 aggregate service charge for the proposed Contran services to be rendered to us and certain of our privately held subsidiaries under the ISA after concluding that:

- the cost to employ the additional personnel necessary to perform the quality of the services provided by Contran would exceed the proposed 2005 aggregate fee to be charged by Contran under this ISA; and
- the cost for such services would be no less favorable than could otherwise be obtained from an unrelated third party for comparable services.

Upon receiving the recommendation of our management development and compensation committee that the ISA charge to us and our privately held subsidiaries was fair and reasonable to us and our shareholders and that it was in our best interests to continue receiving such services presently provided by Contran, our independent directors, with our other directors abstaining, approved the 2005 aggregate charge to us under this ISA.

In making these determinations, our management development and compensation committee relied on their collective business experience and judgment. The committee did not review any 2005 ISA charges from Contran to any of our publicly held subsidiaries or their subsidiaries, which charges were reviewed by the management development and compensation committee of the applicable publicly held subsidiary.

Common Stock Based Compensation

In 2005, our management development and compensation committee administered matters regarding the common stock based compensation of our executive officers. In 2005, management did not recommend any common stock based compensation, and our management development and compensation committee did not grant any such compensation to any executive officers other than annual stock grants to our directors, including our chief executive officer, for their services as directors. Our management development and compensation committee does not currently anticipate granting common stock based compensation to anyone in 2006 other than these annual grants of stock to our directors. See “Compensation of Directors and Executive Officers and Other Information — Compensation of Directors.”

Deductibility of Compensation

Section 162(m) of the Internal Revenue Code of 1986 generally disallows a tax deduction to public companies for non-performance based compensation over \$1.0 million paid to the company’s chief executive officer and four other most highly compensated executive officers. It is our general policy to structure the performance-based portion of the compensation of our executive officers in a manner that enhances our ability to deduct fully such compensation.

The following individuals, in the capacities indicated, hereby submit the foregoing report.

Thomas P. Stafford
*Chairman of our Management Development
and Compensation Committee*

and Compensation Committee*

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Relationships with Related Parties. As set forth under “Security Ownership,” Harold C. Simmons, through Contran, may be deemed to control us. We and other entities that may be deemed to be controlled by or related to Mr. Simmons sometimes engage in the following:

- intercorporate transactions, such as guarantees, management and expense sharing arrangements, shared fee arrangements, tax sharing agreements, joint ventures, partnerships, loans, options, advances of funds on open account and sales, leases and exchanges of assets, including securities issued by both related and unrelated parties; and
- common investment and acquisition strategies, business combinations, reorganizations, recapitalizations, securities repurchases and purchases and sales (and other acquisitions and dispositions) of subsidiaries, divisions or other business units, which transactions have involved both related and unrelated parties and have included transactions that resulted in the acquisition by one related party of an equity interest in another related party.

We periodically consider, review and evaluate and understand that Contran and related entities periodically consider, review and evaluate such transactions. Depending upon the business, tax and other objectives then relevant and restrictions under indentures and other agreements, it is possible that we might be a party to one or more of such transactions in the future. In connection with these activities, we may consider issuing additional equity securities or incurring additional indebtedness. Our acquisition activities have in the past and may in the future include participation in acquisition or restructuring activities conducted by other companies that may be deemed to be related to Harold C. Simmons. It is our policy to engage in transactions with related parties on terms, in our opinion, no less favorable to us than could be obtained from unrelated parties.

Certain directors or executive officers of Contran, CompX, Keystone, Kronos Worldwide, TIMET or Valhi also serve as our directors or executive officers. Such relationships may lead to possible conflicts of interest. These possible conflicts of interest may arise from the duties of loyalty owed by persons acting as corporate fiduciaries to two or more companies under circumstances in which such companies may have adverse interests. No specific procedures are in place that govern the treatment of transactions among us and our related entities, although such entities may implement specific procedures as appropriate for particular transactions. In addition, under applicable principles of law, in the absence of shareholder ratification or approval by directors who may be deemed disinterested, transactions involving contracts among companies under common control must be fair to all companies involved. Furthermore, directors owe fiduciary duties of good faith and fair dealing to all shareholders of the companies for which they serve.

Intercorporate Services Agreements. We and certain related companies have entered into ISAs. Under the ISAs, employees of one company provide certain services, including executive officer services, to the other company on a fee basis. The services rendered under the ISAs may include executive, management, financial, internal audit, accounting, tax, legal, insurance, risk management, treasury, aviation, human resources, technical, consulting, administrative, office, occupancy and other services as required from time to time in the ordinary course of the recipient’s business. The fees paid pursuant to the ISAs are generally based upon an estimate of the time devoted by employees of the provider of the services to the affairs of the recipient and the employer’s cost related to such employees, which includes the employees’ cash compensation and an overhead component that takes into account the employer’s other costs related to the employees. Each of the ISAs in their current form extends on a quarter-to-quarter basis, generally subject to the termination by either party pursuant to a written notice delivered 30 days prior to the start of the next quarter. Because of the large number of companies related to Contran and us, we believe we benefit from cost savings and economies of scale gained by not having certain management, financial and administrative staffs duplicated at each entity, thus allowing certain individuals to provide services to multiple companies but only be compensated by one entity. With respect to a publicly held company that is a party to an ISA, the ISA and the related aggregate annual charge is approved by the independent directors of the company after receiving a recommendation from the company’s management development and compensation committee.

The following table describes the fees paid by us, our subsidiaries and Kronos Worldwide to Contran in 2005 and the amount anticipated to be paid to Contran in 2006 for services Contran provided us or our subsidiaries under the various ISAs.

<u>Recipient of Services from Contran under an ISA</u>	<u>Fees Paid to Contran under the ISA in 2005</u>	<u>Fees Expected to be Paid to Contran under the ISA in 2006</u>
	(In millions)	
NL Industries, Inc.	4.227 (1)	4.800 (1)
Kronos Worldwide, Inc.	5.729 (1)	6.332 (1)
CompX International Inc.	<u>2.625 (2)</u>	<u>2.733 (2)</u>
Total	<u>\$ 12.581 (1)(2)</u>	<u>\$ 13.865 (1)(2)</u>

- (1) In addition to the reported ISA charges, we and Kronos Worldwide also pay Messrs. Glenn and Harold Simmons and Watson for their services as directors.
- (2) In addition to the reported ISA charges, CompX also pays Messrs. Glenn Simmons and Watson for their services as directors of CompX.

Short-Swing Trading Profits. From December 2004 through April 2005, we sold shares of Kronos Worldwide common stock in the open market. From June 2004 through October 2005, Valhi purchased shares of Kronos Worldwide common stock in the open market. Pursuant to section 16(b) of the Securities Exchange Act, certain of such sales and purchases might be deemed to be matched for purposes of computing short-swing profits. As a result, Valhi made several voluntary payments to Kronos Worldwide concurrently with a potentially matching transaction aggregating approximately \$600,000 and \$1.2 million for 2004 and 2005, respectively, which amounts represent the maximum amount of any possible short-swing profits resulting from these transactions.

Loans between Related Parties. In 2001, a wholly owned subsidiary of NL Environmental Management Services, Inc., a wholly owned subsidiary of ours, loaned \$20 million to the Harold C. Simmons Family Trust No. 2, a trust established for the benefit of certain children and grandchildren of Harold C. Simmons of which Mr. Simmons is the sole trustee, under a \$25 million revolving credit agreement. Special independent committees of our and NL Environmental Management Services, Inc.'s boards of directors approved the loan. The loan bore interest at the prime rate, was due on demand with sixty days notice and was collateralized by 13,749 shares, or approximately 35%, of Contran's outstanding class A voting common stock and 5,000 shares, or 100%, of Contran's series E cumulative preferred stock, both of which are owned by the Harold C. Simmons Family Trust No. 2. The value of this collateral is dependent in part on our value as Contran's interest in us is one of Contran's more substantial assets. In 2005, the trust fully repaid the loan with payments of approximately \$10.5 million of principal and interest and the revolving credit agreement was terminated in October 2005.

From time to time, other loans and advances are made between us and various related parties pursuant to term and demand notes. These loans and advances are entered into principally for cash management purposes. When we loan funds to related parties, the lender is generally able to earn a higher rate of return on the loan than the lender would earn if the funds were invested in other instruments. While certain of such loans may be of a lesser credit quality than cash equivalent instruments otherwise available to us, we believe that we have evaluated the credit risks involved, and that those risks are reasonable and reflected in the terms of the applicable loans. When we borrow from related parties, we are generally able to pay a lower rate of interest than we would pay if we borrowed from unrelated parties.

Interest income on all loans to unconsolidated related parties was \$0.5 million in 2005, which represents interest earned on the loan from NL Environmental Management Services, Inc. to the Harold C. Simmons Family Trust No. 2. We did not incur any interest expense on loans from unconsolidated related parties in 2005.

Formation of CompX Group, Inc. Subsequent to our acquisition in September 2004 of 68.4% of the then outstanding shares of CompX common stock owned by Valhi and its wholly owned subsidiary, Valcor, Inc., and pursuant to a subscription agreement, we and TFMC capitalized CGI by each contributing to CGI 68.4% and 14.6%, respectively, of the then outstanding shares of CompX common stock. As a result of this initial contribution, we and

TFMC held 82.4% and 17.6% of the outstanding shares of common stock of CGI, respectively. In the subscription agreement, CGI agreed that it would not sell any of the shares of CompX common stock contributed to CGI by TFMC without the express written consent of TFMC. In addition, in accordance with the subscription agreement, the parties entered into a voting agreement that provides, among other things, that we will elect one nominee of TFMC to CGI's five member board of directors.

Pursuant to CGI's certificate of incorporation, upon the written request of a CGI stockholder, CGI is obligated to redeem such number of the stockholder's shares of CGI common stock that the stockholder requests. The CGI stockholder is also entitled to elect to receive as part of the redemption price such number of shares of CompX class A or class B common stock that the holder contributed to CGI based on the same ratio of shares of CGI received in the initial contribution. CGI's board of directors is then obligated to determine in good faith and in its best business judgment the redemption price. Pursuant to CGI's certificate of incorporation, in determining the redemption price, the board of directors shall value each share of CompX common stock held by CGI at the volume weighted average sale price of a share of CompX class A common stock for the ten trading days ending on the day CGI receives the redemption request.

With the initial capitalization of CGI, CompX became eligible to file consolidated returns of U.S. federal income taxes with us and Contran. See "—Tax Matters" below for a discussion of this relationship with us and Contran.

Insurance Matters. We and Contran participate in a combined risk management program. Pursuant to the program, Contran and certain of its subsidiaries and related entities, including us and certain of our subsidiaries and related entities, purchase certain of their insurance policies as a group, with the costs of the jointly owned policies being apportioned among the participating companies. Tall Pines and EWI RE, Inc. provide for or broker these insurance policies. Tall Pines is a captive insurance company wholly owned by Valhi, and EWI RE, Inc. is reinsurance brokerage and risk management firm wholly owned by us. Consistent with insurance industry practices, Tall Pines and EWI RE, Inc. receive commissions from insurance and reinsurance underwriters for the policies that they provide or broker.

With respect to certain of such jointly owned insurance policies, it is possible that unusually large losses incurred by one or more insureds during a given policy period could leave the other participating companies without adequate coverage under that policy for the balance of the policy period. As a result, Contran and certain of its subsidiaries or related companies, including us, have entered into a loss sharing agreement under which any uninsured loss is shared by those companies who have submitted claims under the relevant policy. We believe the benefits in the form of reduced premiums and broader coverage associated with the group coverage for such policies justify the risks associated with the potential for any uninsured loss.

During 2005, we, CompX and Kronos Worldwide paid premiums of approximately \$10.0 million for insurance policies Tall Pines provided or EWI RE, Inc. brokered, including approximately \$1.3 million paid by Louisiana Pigment Company, L.P., a partnership of which a wholly owned subsidiary of Kronos Worldwide and a subsidiary of Huntsman LLC each own 50%. These amounts principally included payments for reinsurance and insurance premiums paid to unrelated third parties, but also included commissions paid to Tall Pines and EWI RE, Inc. Tall Pines purchases reinsurance for substantially all of the risks it underwrites. In our opinion, the amounts that we, our subsidiaries and Louisiana Pigment Company, L.P. paid for these insurance policies and the allocation among us and our related entities of relative insurance premiums are reasonable and at least as favorable to those we or they could have obtained through unrelated insurance companies or brokers. We expect that these relationships with Tall Pines and EWI RE, Inc. will continue in 2006.

Tax Matters. We and our qualifying subsidiaries are members of the consolidated U.S. federal tax return of which Contran is the parent company, which we refer to as the "Contran Tax Group." As a member of the Contran Tax Group and pursuant to certain tax sharing agreements, each of the members and its qualifying subsidiaries compute provisions for U.S. income taxes on a separate company basis using tax elections made by Contran. Pursuant to the tax sharing agreements and using tax elections made by Contran, each of the parties makes payments or receives payments in amounts it would have paid to or received from the U.S. Internal Revenue Service had it not been a member of the Contran Tax Group but instead had been a separate taxpayer. Refunds are generally limited to amounts previously paid under the respective tax sharing agreement. We and our qualifying subsidiaries

are also a part of consolidated tax returns filed by Contran in certain U.S. state jurisdictions. The terms of the applicable tax sharing agreements also apply to state payments to these jurisdictions.

Under applicable law, we, as well as every other member of the Contran Tax Group, are each jointly and severally liable for the aggregate federal income tax liability of Contran and the other companies included in the group for all periods in which we are included in the group. Valhi has agreed, however, to indemnify us for any liability for income taxes of the Contran Tax Group in excess of our tax liability previously computed and paid by us in accordance with the tax allocation policy.

Prior to December 2003, Kronos Worldwide was a wholly owned subsidiary of ours. In December 2003, in conjunction with a recapitalization of Kronos Worldwide, we completed the distribution of approximately 48.8% of Kronos Worldwide's common stock on a pro rata basis to our shareholders (including Valhi and Tremont). Our shareholders received one share of Kronos Worldwide common stock for every two shares of our common stock held. During 2004 and the first quarter of 2005, we paid an aggregate of five quarterly dividends in the form of shares of Kronos Worldwide common stock in which an aggregate of approximately 1.5 million shares of Kronos Worldwide common stock (3.0% of Kronos Worldwide's outstanding shares of common stock) were distributed to our shareholders in the form of pro rata dividends.

Our 2003, 2004 and 2005 distributions of shares of common stock of Kronos Worldwide were taxable to us and we were required to recognize such tax liability for financial reporting purposes. On November 30, 2004, we and Valhi agreed to pay Valhi the tax liability generated from the distribution of shares of Kronos Worldwide common stock to Valhi and Tremont, including the tax liability related to such shares distributed to Valhi and Tremont in December 2003 and the tax liability related to the shares distributed to Valhi during all of 2004. We and Valhi further agreed that in lieu of a cash income tax payment, such tax liability could be paid by us to Valhi in the form of shares of Kronos Worldwide common stock. Such tax liability related to the shares of Kronos Worldwide common stock distributed to Valhi and Tremont in 2003 and 2004, including the tax liability resulting from the use of Kronos Worldwide common stock to settle such liability, aggregated approximately \$227 million. Accordingly, in the fourth quarter of 2004 we transferred approximately 5.5 million shares of Kronos Worldwide common stock to Valhi in satisfaction of such tax liability and the tax liability generated from the use of such Kronos Worldwide shares to settle such tax liability. In agreeing to settle such tax liability with such 5.5 million shares of Kronos Worldwide common stock, the Kronos Worldwide shares were valued at an agreed-upon price of \$41 per share. Kronos Worldwide's average closing market price during the months of November and December 2004 was \$41.53 and \$41.77, respectively. The tax liability related to the shares of Kronos Worldwide distributed to Valhi in the first quarter of 2005 aggregated \$3.0 million, and we paid such tax liability to Valhi in cash. Such income tax liabilities will become payable by Valhi to Contran, and by Contran to the applicable tax authority when the shares of Kronos Worldwide common stock transferred or distributed by us to Valhi and Tremont are sold or otherwise transferred outside the Contran Tax Group or in the event of certain restructuring transactions involving us and Valhi.

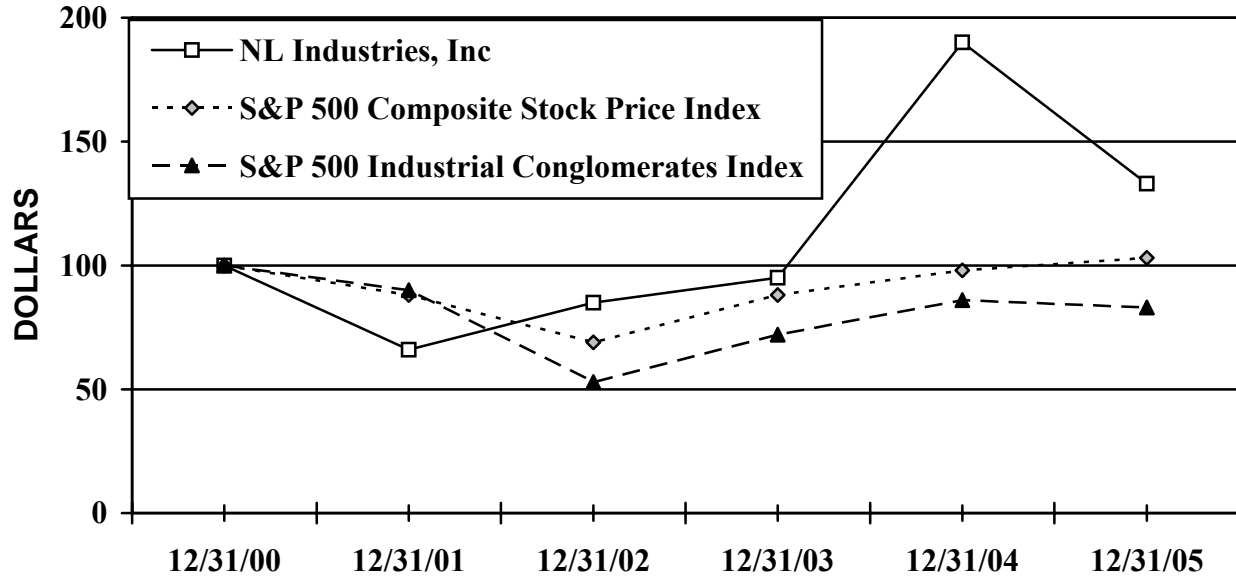

Under certain circumstances, tax regulations could require Contran to treat items differently than we would have treated them on a stand alone basis. In such instances, accounting principles generally accepted in the United States of America require us to conform to Contran's tax elections. In addition to the \$3.0 million payment from us to Valhi discussed above, in 2005 pursuant to the tax sharing agreements, we paid approximately \$1.7 million in cash, and Kronos Worldwide paid approximately \$7.7 million in cash, to Valhi.

Simmons Family Matters. Certain family members of our chairman of the board, Harold C. Simmons, provide services to us and our subsidiaries, including, CompX and Kronos Worldwide, pursuant to certain ISAs. In 2005, Glenn R. Simmons, our chairman's brother, and James C. Epstein, our chairman's son-in-law, provided certain executive and risk management services, respectively, to us and our subsidiaries pursuant to ISAs. The portion of the fees we and our subsidiaries paid to Contran in 2005 pursuant to these ISAs for the services of each of Messrs. Glenn Simmons and Epstein was \$56,500 and \$140,200, respectively. We and our subsidiaries expect to pay Contran similar amounts for these services in 2006. Mr. Glenn Simmons also received additional aggregate compensation of approximately \$115,500 in cash and stock from us, CompX and Kronos Worldwide for his services as a director for 2005 and is expected to continue to receive similar compensation for 2006. In 2005, he also realized an aggregate of approximately \$13,000 from the exercise of stock options we and CompX had granted him.

AUDIT COMMITTEE REPORT

Our audit committee of the board of directors is comprised of three directors and operates under a written amended and restated charter adopted by the board of directors. All members of our audit committee meet the independence standards established by the board of directors and the NYSE and promulgated by the SEC under the Sarbanes-Oxley Act of 2002. The amended and restated audit committee charter is attached as **Exhibit A** to this statement and is also available on our website at www.nl-ind.com under the corporate governance section.

Our management is responsible for, among other things, preparing its consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, or “GAAP,” establishing and maintaining internal control over financial reporting (as defined in Securities Exchange Act Rule 13a-15(f)) and evaluating the effectiveness of such internal control over financial reporting. Our independent registered public accounting firm is responsible for auditing our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for expressing an opinion on the conformity of the financial statements with GAAP. Our independent registered public accounting firm is also responsible for auditing our internal control over financial reporting in accordance with such standards and for expressing an opinion on (i) management’s assessment of the effectiveness of its internal control over financial reporting and (ii) the effectiveness of its internal control over financial reporting. Our audit committee assists the board of directors in fulfilling its responsibility to oversee management’s implementation of our financial reporting process. In its oversight role, our audit committee reviewed and discussed the audited financial statements with management and with PwC, our independent registered public accounting firm for 2005. Our audit committee also reviewed and discussed internal control over financial reporting with management and with PwC.

Our audit committee met with PwC and discussed any issues deemed significant by our independent registered public accounting firm, including the required matters to be discussed by Statement of Auditing Standards No. 61, *Communication with Audit Committee*, as amended. PwC has provided to our audit committee written disclosures and the letter required by Independence Standards Board No. 1, *Independence Discussions with Audit Committees*, and our audit committee discussed with PwC that firm’s independence. Our audit committee also concluded that PwC’s provision of non-audit services to us and our related entities is compatible with PwC’s independence.

Based upon the foregoing considerations, our audit committee recommended to the board of directors that our audited financial statements be included in our 2005 Annual Report on Form 10-K for filing with the SEC.

Members of our audit committee of the board of directors respectfully submit the foregoing report.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM MATTERS

Independent Registered Public Accounting Firm. PwC served as our independent registered public accounting firm for the year ended December 31, 2005. Our audit committee has appointed PwC to review our quarterly unaudited consolidated financial statements to be included in our Quarterly Reports on Form 10-Q for the first three quarters of 2006. We expect PwC will be considered for appointment to audit our annual consolidated financial statements and internal control over financial reporting for the year ending December 31, 2006. Representatives of PwC are not expected to attend the annual meeting.

Fees Paid to PricewaterhouseCoopers LLP. The following table shows the aggregate fees that PwC has billed or is expected to bill to us, CompX or Kronos Worldwide for services rendered for 2004 and 2005 that our audit committee authorized for us and our privately held subsidiaries and the CompX or Kronos Worldwide audit committees each separately authorized for its corporation and such corporation's privately held subsidiaries. Additional audit fees for 2005 may subsequently be authorized and paid to PwC, in which case the amounts disclosed below for fees paid to PwC for 2005 would be adjusted to reflect such additional payments in our proxy statement relating to next year's annual shareholder meeting. In this regard, the audit fees shown below for 2004 have been adjusted from amounts disclosed in our proxy statement for last year's annual shareholder meeting.

Preapproval Policies and Procedures. For the purpose of maintaining the independence of our independent registered public accounting firm, our audit committee has adopted policies and procedures for the preapproval of audit and permitted non-audit services the firm provides to us or any of our subsidiaries other than our publicly held subsidiaries and their respective subsidiaries. We may not engage the firm to render any audit or permitted non-audit service unless the service is approved in advance by our audit committee pursuant to the committee's amended and restated preapproval policies and procedures that the committee approved on February 22, 2005. Pursuant to the policy:

- the committee must specifically preapprove, among other things, the engagement of our independent registered public accounting firm for audits and quarterly reviews of our financial statements, services associated with certain regulatory filings, including the filing of registration statements with the SEC, and services associated with potential business acquisitions and dispositions involving us; and
- for certain categories of permitted non-audit services of our independent registered public accounting firm, the committee may preapprove limits on the aggregate fees in any calendar year without specific approval of the service.

These permitted non-audit services include:

- audit services, such as certain consultations regarding accounting treatments or interpretations and assistance in responding to certain SEC comment letters;
- audit-related services, such as certain other consultations regarding accounting treatments or interpretations, employee benefit plan audits, due diligence and control reviews;
- tax services, such as tax compliance and consulting, transfer pricing, customs and duties and expatriate tax services; and
- other permitted non-audit services, such as assistance with corporate governance matters and filing documents in foreign jurisdictions not involving the practice of law.

Pursuant to the policy, our audit committee has delegated preapproval authority to the chairman of the committee or his designee to approve any fees in excess of the annual preapproved limits for these categories of permitted non-audit services provided by our independent registered public accounting firm. The chairman must report any action taken pursuant to this delegated authority at the next meeting of the committee.

For 2005, our audit committee preapproved all PwC's services provided to us or any of our subsidiaries, other than our publicly held subsidiaries and their subsidiaries, in compliance with the amended and restated preapproval policies and procedures without the use of the SEC's *de minimis* exception to such preapproval requirement.

OTHER MATTERS

The board of directors knows of no other business that will be presented for consideration at the meeting. If any other matters properly come before the meeting, the persons designated as agents in the enclosed proxy card or voting instruction form will vote on such matters in accordance with their reasonable judgment.

SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS FOR THE 2007 ANNUAL MEETING

Shareholders may submit proposals on matters appropriate for shareholder action at our annual shareholder meetings, consistent with rules adopted by the SEC. We must receive such proposals not later than December 18, 2006 to be considered for inclusion in the proxy statement and form of proxy card relating to the annual meeting of shareholders in 2007.

The board of directors will consider the director nominee recommendations of our shareholders. The board of directors has no specific minimum qualifications for director candidates. The board of directors will consider a potential director nominee's ability to satisfy the need, if any, for any required expertise on the board of directors or one of its committees. Historically, our management has recommended director nominees to the board of directors. Because under the NYSE listing standards we may be deemed to be a controlled company, the board of directors believes that additional policies or procedures with regard to the consideration of director candidates recommended by its shareholders are not appropriate.

Proposals and nominations should be addressed to: Corporate Secretary, NL Industries, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Shareholders and other interested parties who wish to communicate with the board of directors or its non-management directors may do so through the following procedures. Such communications not involving complaints or concerns regarding accounting, internal accounting controls and auditing matters related to us may be sent to the attention of our corporate secretary at NL Industries, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697. Provided that any such communication relates to our business or affairs and is within the function of our board of directors or its committees, and does not relate to insignificant or inappropriate matters, such communications, or summaries of such communications, will be forwarded to the chairman of our audit committee, who also serves as the presiding director of our non-management and independent director meetings.

Complaints or concerns regarding accounting, internal accounting controls and auditing matters, which may be made anonymously, should be sent to the attention of our general counsel with a copy to our chief financial officer at the same address as our corporate secretary. These complaints or concerns will be forwarded to the chairman of our audit committee. We will keep these complaints or concerns confidential and anonymous, to the extent feasible, subject to applicable law. Information contained in such a complaint or concern may be summarized, abstracted and aggregated for purposes of analysis and investigation.

2005 ANNUAL REPORT ON FORM 10-K

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 is included as part of the annual report mailed to our shareholders with this proxy statement and may also be accessed on our website at www.nl-ind.com.

ADDITIONAL COPIES

Pursuant to an SEC rule concerning the delivery of annual reports and proxy statements, a single set of these documents may be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces mailing and printing expenses. A number of brokerage firms have instituted householding. Certain beneficial shareholders who share a single address may have received a notice that only one annual report and proxy statement would be sent to that address unless a shareholder at that address gave contrary instructions. If, at any time, a shareholder who holds shares through a broker no longer wishes to participate in householding and would prefer to receive a separate proxy statement and related materials, or if such shareholder currently receives multiple copies of the proxy statement and related materials at his or her address and would like to request householding of our communications, the shareholder should notify his or her broker. Additionally, we will promptly deliver a separate copy of our 2005 annual report or this proxy statement to any shareholder at a shared address to which a single copy of such documents was delivered, upon the written or oral request of the shareholder.

To obtain copies of our 2005 annual report or this proxy statement without charge, please mail your request to the attention of Robert D. Graham, corporate secretary, at NL Industries, Inc., Three Lincoln Centre, 5430 LBJ Freeway, Suite 1700, Dallas, Texas 75240-2697, or call him at 972.233.1700.

AUDIT COMMITTEE CHARTER

AMENDED AND RESTATED JUNE 30, 2005

**ARTICLE I.
PURPOSE**

The audit committee assists the board of directors' oversight responsibilities relating to the financial accounting and reporting processes and auditing processes of the corporation. The audit committee shall assist in the oversight of:

- the integrity of the corporation's financial statements and internal control over financial reporting;
- the corporation's compliance with legal and regulatory requirements;
- the independent auditor's qualifications and independence; and
- the performance of the corporation's internal audit function and independent auditor.

**ARTICLE II.
RELATIONSHIP WITH THE CORPORATION, MANAGEMENT AND THE INDEPENDENT AUDITOR**

Management is responsible for preparing the corporation's financial statements and maintaining internal control over financial reporting. The corporation's independent auditor is responsible for auditing the corporation's financial statements and internal control over financial reporting. The activities of the audit committee are in no way designed to supersede or alter these traditional responsibilities. The corporation's independent auditor and management have more time, knowledge and detailed information about the corporation than do the audit committee members. Accordingly, the audit committee's role does not provide any special assurances with regard to the corporation's financial statements or internal control over financial reporting. Each member of the audit committee, in the performance of such member's duties, will be entitled to rely in good faith upon the information, opinions, reports or statements presented to the audit committee by any of the corporation's officers, employees, agents, counsel, experts, auditors or any other person as to matters such member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the corporation, and nothing in this charter will, or will be deemed to, decrease or modify in any manner adverse to any member of the audit committee such member's right to rely on such information, opinions, reports or statements.

Nothing in this charter will, or will be deemed to, adversely affect in any manner the rights of members of the committee to indemnification and advancement of expenses under the corporation's certificate of incorporation or bylaws, or under any contract, agreement, arrangement or understanding that may benefit such member. In addition, notwithstanding any other provision of this charter, no provision of this charter will, except to the extent required by applicable law, rule or regulation, be construed to create any duty, liability or obligation on the part of the committee or any of its members.

**ARTICLE III.
AUTHORITY AND RESOURCES**

The audit committee shall have the authority and resources necessary or appropriate to discharge its responsibilities. The audit committee shall be provided with full access to all books, records, facilities and personnel of the corporation in carrying out its duties. The audit committee shall have the sole authority with regard to the independent auditor as set forth in **Article V**, and the authority to engage independent counsel and other

advisors, as it determines is necessary to carry out its duties. The corporation shall provide appropriate funding, as the audit committee determines is necessary or appropriate in carrying out its duties, for the committee to engage and compensate the independent auditor or legal counsel or other advisors to the committee, and to pay the committee's ordinary administrative expenses.

ARTICLE IV. COMPOSITION AND MEETINGS

The board of directors shall set the number of directors comprising the audit committee from time to time, which number shall not be less than three. The board of directors shall designate a chairperson of the audit committee. The number of directors comprising the audit committee and the qualifications, which members will all be financially literate with at least one being an audit committee financial expert, and independence of each member of the audit committee shall at all times satisfy all applicable requirements, regulations or laws, including, without limitation, the rules of any exchange or national securities association on which the corporation's securities trade. Simultaneous service on more than three non-affiliated public company audit committees requires a special determination by the board of directors and, if required, disclosure in the annual proxy statement. The board of directors shall determine, in its business judgment, whether the members of the audit committee satisfy all such requirements, regulations or laws.

The audit committee shall meet at least quarterly and as circumstances dictate. Regular meetings of the audit committee may be held with or without prior notice at such time and at such place as shall from time to time be determined by the chairperson of the audit committee, any of the corporation's executive officers or the secretary of the corporation. Special meetings of the audit committee may be called by or at the request of any member of the audit committee, any of the corporation's executive officers, the secretary of the corporation or the independent auditor, in each case on at least twenty-four hours notice to each member.

A majority of the audit committee members shall constitute a quorum for the transaction of the audit committee's business. The audit committee shall act upon the vote of a majority of its members at a duly called meeting at which a quorum is present. Any action of the audit committee may be taken by a written instrument signed by all of the members of the audit committee. Meetings of the audit committee may be held at such place or places as the audit committee shall determine or as may be specified or fixed in the respective notice or waiver of notice for a meeting. Members of the audit committee may participate in audit committee proceedings by means of conference telephone or similar communications equipment by means of which all persons participating in the proceedings can hear each other, and such participation shall constitute presence in person at such proceedings.

The audit committee may invite to its meetings any director, any member of management of the corporation and any other persons it deems appropriate in order to carry out its responsibilities. The audit committee may also exclude from its meetings any persons it deems appropriate in order to carry out its responsibilities.
